- **ON SITE CONSTRUCTION FUEL – DIRECT FUELING INTO EQUIPMENT AND FUEL TANKS, USING STATE OF THE ART FLEET NAVIGATOR BAR CODE DELIVERY EQUIPMENT**
- **COAL – ANTHRACITE & BITUMINOUS**
- **LUBRICANTS / GREASES / OILS / FLUIDS - MILITARY SPECIFIED, COMMERCIAL AND INDUSTRIAL, INCLUDING FOOD GRADE PRODUCTS**
- **TRANSCUBE FUEL CELLS**

## HISTORY

Naughton Energy was formed in 1976 as a coal trading firm with its initial market efforts concentrated in the Northeastern United States. In the early 1980's the company entered into petroleum sales. During the 1980's coal and petroleum market areas were expanded, and the company initiated sales of natural gas and specialized & industrial lubricants. Naughton Energy is presently supplying coal, petroleum, lubricants, and fuel tanks to customers throughout the continental United States.

## UNIQUE VALUE

The company has a sound credit rating which allows the purchasing of products from a variety of refiners, and provides the ability to securely finance its contract obligations. A transportation network composed of truck, rail, barge and pipeline movements provide Naughton with access to all regions of the country. We maintain a fleet of tank wagon fuel delivery trucks within the NY Metropolitan area. We are affiliated with the International Union of Operating Engineers (Local 15-C), and the Teamsters Union.
