

TRANSPORTABLE FUEL & DEF TANK

ABBI BLUE

395 Gallons (FUEL) / 42 Gallons (DEF)

The Abbi Blue 15ART-BLU is a fully transportable storage tank that combines the benefits of fuel & diesel exhaust fluid (DEF) into one mobile unit. With separate compartments for fuel & DEF to maintain purity, the Abbi Blue enables the safe & efficient refueling of tier 4 vehicles & machinery.

FEATURES

FUEL EQUIPMENT CABINET

Integral equipment cabinet that secures all equipment & ports while capturing any accidental drips or spills.

ACCESS MANWAY

Allows access to inner tank for easy routine maintenance & inspection.

DEF TANK & EQUIPMENT CABINET

Fully enclosed cabinet that houses & protects your DEF & dispensing equipment.

DOT APPROVED

The Abbi's fully galvanized trailer is fully compliant with DOT standards & features backlights & electric brakes for ease of use.

DOUBLE WALLED, 110% CONTAINMENT

Weatherproof secondary containment ensures safe & environmentally compliant transport & storage.

INTERNAL BAFFLES

Designed to maximize stability & safety when handling the tank full of fuel.

FORKLIFT POCKETS

Quick & easy maneuvering when detached from trailer.

APPLICATIONS

FUEL & DEF SUPPLY

The Abbi Blue's dual capability enables quick onsite refueling of tier 4 machinery, decreasing downtime & increasing productive hours.

FUEL & DEF TRANSPORT

Meeting multiple worldwide transport regulations, the Abbi Blue can safely transport fuel & DEF to & from job sites or your facility.
