

## SPECIFICATION DATA SHEET | Model: 100TCG

The **TRANSCUBE™** Standby 100TCG is the solution to all your fuel delivery needs; On-site equipment refueling, direct back-up supply for diesel engines powering generators, compressors, pumps, HVAC.... and more!

-  **Accessible.** Access manway for maintenance and inspection of inner tank. Four-way forklift pockets for easy lifting when empty.
-  **Efficient.** ENVIROconnect Equipment Cabinet locks and secures equipment and fuel ports to run up to 2 pieces of diesel-powered equipment with a 3-point locking system and letterbox-style ports.
-  **Environmentally Safe.** Double-walled, 110% containment eliminates the need for spill pans, UL 142 approved.
